Executive Summary

The present document constitutes the “Intermediate Dissemination Report” deliverable of the BOOST project, funded by the European Union through the European Education and Culture Executive Agency (EACEA). The main objective of BOOST is to empower students and farmers with theoretical and practical knowledge and tools to become agripreneurs in Precision Agriculture.

The document summarises the development of the project’s visual identity (logo), the project’s dissemination material (including project leaflet, roll-up, poster, folder, and ID card), a summary of contents that disseminated the actions of the project, including newsletters, including newsletters, publications, conferences, other activities, and social media summary.

The deliverable is developed within the framework of WP7, “Dissemination, Communication and Exploitation”, and more specifically, it is the output of Task 7.3 “BOOST Public Relations (PR) material”.
